

COVENTRY AND WARWICKSHIRE NETBALL ASSOCIATION NEWSLETTER – October 2012

Hello Ladies

Two matches into the start of the new season and your committee hope all is going well for you and your clubs! The chair would remind you and please ensure you pass this onto all players.

- Show respect to your umpire by not calling them by their first name and,
- Swearing is unacceptable on court even if it is against your own play.

At the Annual Presentation Evening this year a bracelet was handed in if you have lost one then please contact me.

Registrations after Commencement of the Playing Season

Constitution Rule 6E ix, explicitly explains what is required to register a player after the commencement of the playing season with C&WNA. However to allow us to issue a serial number you **MUST** have already registered the player on line with England Netball. If this has not been completed the player will be unable to register on the day.

This has been clarified with England Netball and as long as you have registered on line and paid with a debit/credit card in advance of playing the registration will be honoured. If you are forwarding a cheque then you will not be registered until they receive and bank the cheque.

I know this adds for complications but we are trying to ensure the safety of all our members which includes players, coaches and umpires.

Funding

As you are aware over the past 2 season C&WNA has been very generous in giving funding back to all clubs at the end of the season. There is no longer funding available and any funding request should in the first instance be sent to Warwickshire County Netball, who may be able to support your request or point you in the right direction for funding which should be available to your club.

Decathlon Sport Shop

A new sports shop is due to open in Coventry (Arena Shopping Park) and they have contacted us to make us aware of a "Decathlon Club Card" which may benefit your club. For further details please visit www.decathlon.co.uk. Alternatively you can e mail
