

Sending in results

Results must be text in within 24 hours of the game finishing. This was new in 2018 & we chased teams who'd forgotten. But now it's established, we'll be introducing fines from January when this isn't done.

A lot of results forms are not being filled in correctly. It's been a similar format for years so double check it. Fine money goes to charity (hooray), but we've had more fines in the first few weeks than we've had in years! This also adds hours to Karen's workload.

All forms must be scanned and sent to Karen. No photos will be accepted. When you send in your scan, ensure you put the fixture date and the teams in the email title, example:

16-11-19 Alvis A vs C&NW B

Don't list substitutes on the form if they don't take the court.

Names must be in full & if you're playing up please make that clear.

If you don't have access to a scanner there are several free apps available. Email annaprosser100@gmail.com if you need help with this

News!

- Ernesford & Warwick Ladies have a new ground- Finham Park School, the handbook has been amended online. However, 3.00 games may vary as there are no floodlights
- We were asked on Facebook about scorers & timers. Both teams need to provide a scorer & they should stand together. The home team is responsible for timing & it's best to have just one official timer. If there's another timer, ask them to time injuries, breaks & act as back up
- Thank you to secretaries for their hard work on the ENGage system. The committee, and in particular Gill have spent weeks supporting clubs. However, there have been a huge amount of errors. Mainly avoidable things like date of birth & the wrong team. For the juniors, we've had lots of parents register. We've learned a lot of lessons, & guidance is available, but please do your best to check details before submissions. Registration questions & updated club manifests should be sent to cwna.registrations@live.co.uk and Gill's contact number is 07802 413183
